- INTERAKSI ANTARA GEN
- EPISTASI

EKSPRESI GEN

INTERAKSI 2 GEN

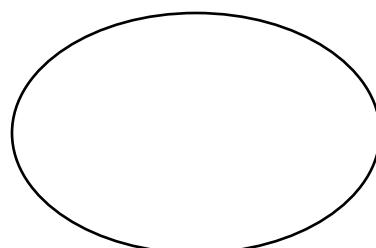

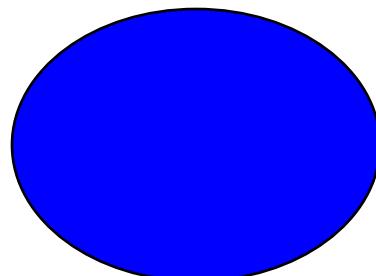

GEN A (A, a) dan GEN B (B, b)

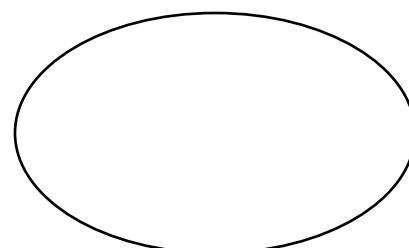

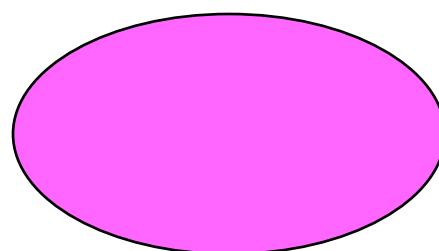

EPISTASI-HIPOSTASI

EPISTASI gen yang “menutupi”/“menghalangi” gen lain yang bukan alelnya

HIPOSTASI gen yang “tertutupi”/“terhalangi” oleh gen lain yang bukan alelnya

Gen/alel mana yang epistasi?

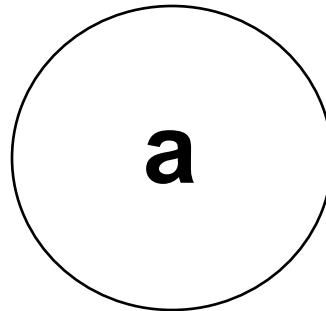

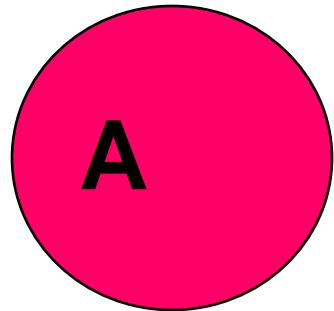

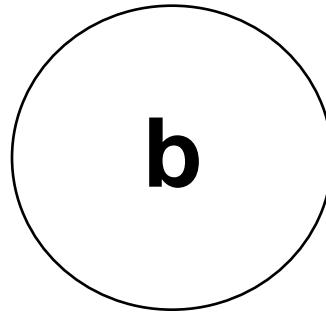

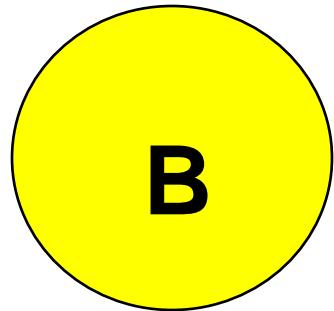

Gen/alel mana yang hipostasi?

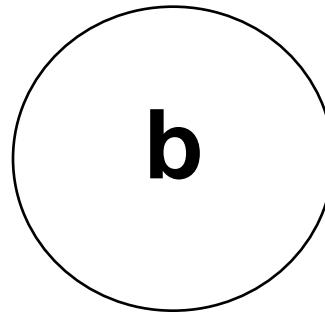

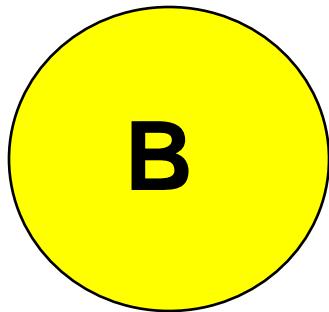

*Epistasi
Dominan*

*Epistasi
Resesif*

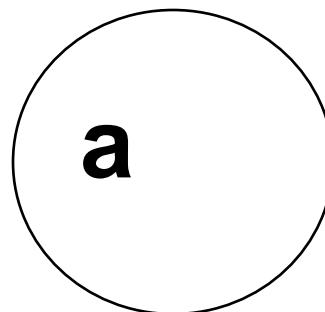

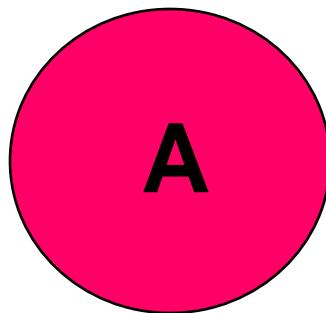

EPISTASI DOMINAN

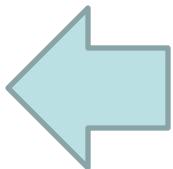

EPISTASI DOMINAN

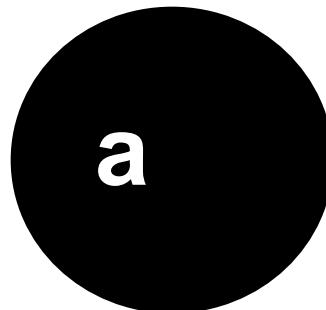

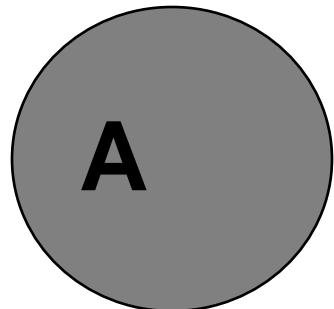

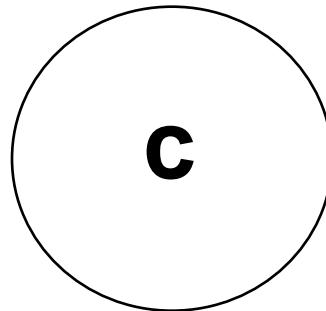

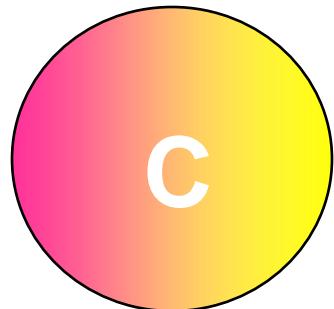

Alel mana yang epistasi?

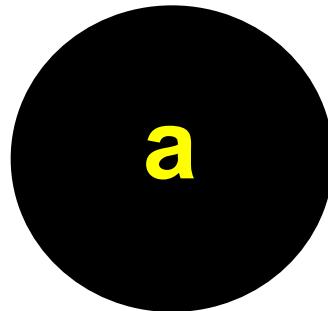

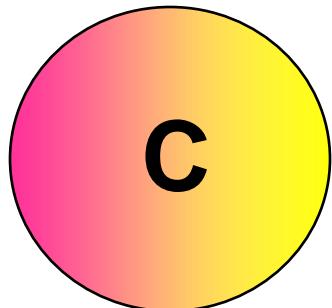

Tentukan perbandingan fenotip hasil persilangan $AaBB \times aaBb$

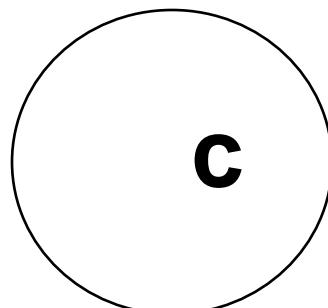

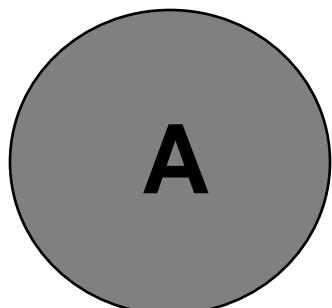

EPISTASI RESESIF

EPISTASI RESESIF

Alel mana yang epistasi?

Tentukan perbandingan fenotip hasil persilangan $AaCC \times aaCc$
