how to analyze...

- step 1** fill in **A1**
step 2 enter the **name of the athletes** in **line 41**
step 3 enter the **official times** in **line 50**
step 4 enter the **starting time** (smoke of the pistol) in **line 42**
step 5 enter the **split time** at 30m in **line 43**
step 6 enter the **time at the finishing line** in **line 44**
step 7 enter the **values of line 47** in **line 51**
step 8 count the **strides from 0-30m** and enter the values in **line 8**
step 9 count the **strides from 0-60m** and enter the values in **line 10**
