Dear Mumu Komaro.

I write to confirm that I would be pleased to participate in the *World Class University Program – International Publication Collaboration* at Universitas Pendidikan Indonesia, Bandung, West Java, Indonesia.

Therefore, I am glad to declare my commitment to be part of the program and to conduct an intensive research activity. I am adamant to work closely on a joint publication between the two institutions and co-author for the research article. The target is to publish in high impact journal as bellow:

Title of Article: **Application of e-book multimedia animation in improving student's concept mastery and problem-solving competencies of phase diagram subjects in engineering materials course**

Journal : **Linguistica Antverpiensia**

Authors : Mumu Komaro, Asnul Dahar bin Minghat. Rosdiana Heryanto Putra

Looking forward to be part of the program and work closely with scientist, researcher and professor in the Universitas Pendidikan Indonesia.

Your sincerely,
