Dear Sir/Madam,

Letter of Commitment Co-author International Collaboration

I write to confirm that I would be pleased to participate in the World Class University Program – International Publication Collaboration at Universitas Pendidikan Indonesia, Bandung, West Java, Indonesia.

Therefore, I am glad to declare my commitment to be part of the program and to conduct an intensive research activity. I am adamant to work closely on joint publication between the two institution and co-author for the research article. The target is to publish in high impact journal as below:

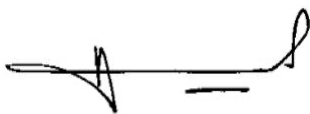

1. Title of Article : Application of e-book multimedia animation in improving student's concept mastery and problem-solving competencies of phase diagram subjects in engineering materials course.

Journal: Linguistica Antverpiensia

2. Title of Article : Development of Android-based Animation Multimedia to Improve Student Learning Outcome in Crystal Subject of Enguneering Materials Course.

Journal : Journal of Engineering Education Transformations.

Looking forward to be part of the program and work closely with scientist, researcher and professor in the Universitas Pendidikan Indonesia.
